13 July 2021 — Press release

**Cefas to partner on
government's support to
protect the world's oceans
with boost for marine
recovery**

(</government/news/cefas-to-partner-on-governments-support-to-protect-the-worlds-oceans-with-boost-for-marine-recovery>)

Cefas scientists will be supporting new programmes to work with international and UK partners to tackle marine pollution and support adoption of sustainable seafood practices.

**Latest from the Centre for
Environment, Fisheries and
Aquaculture Science**

What we do

A world leader in marine science and technology, the Centre for Environment, Fisheries and Aquaculture Science (Cefas) collects, manages and interprets data on the aquatic environment, biodiversity and fisheries.

Follow us

Cefas is an executive agency, sponsored by the [Department for Environment, Food & Rural Affairs \(/government/organisations/department-for-environment-food-rural-affairs\)](/government/organisations/department-for-environment-food-rural-affairs).
