Sandeel fishing to be banned in Scottish waters

January 31, 2024 by [Marine Directorate Communications \(https://blogs.gov.scot/marine-scotland/author/lesleyrennie/\)](https://blogs.gov.scot/marine-scotland/author/lesleyrennie/). | Category [Consultation \(https://blogs.gov.scot/marine-scotland/category/consultation/\)](https://blogs.gov.scot/marine-scotland/category/consultation/), [Fisheries \(https://blogs.gov.scot/marine-scotland/category/fisheries/\)](https://blogs.gov.scot/marine-scotland/category/fisheries/), [Marine ecosystem \(https://blogs.gov.scot/marine-scotland/category/marine-ecosystem/\)](https://blogs.gov.scot/marine-scotland/category/marine-ecosystem/), [Marine Environment \(https://blogs.gov.scot/marine-scotland/category/marine-environment/\)](https://blogs.gov.scot/marine-scotland/category/marine-environment/).

Fishing for sandeel is to be banned in Scottish waters ahead of the 2024 fishery season, subject to Parliamentary approval.

What is this blog about?

News and updates about the work of Marine Directorate, including work done in partnership with others.
