with - Tiverton Harbour Authority -

- road being donated
- 2 wharf projects.
- <sup>minister asked if there was</sup> Robert Thibault - anything he can do to speed up process.
- funded
- Tiverton wharf - 1st project -
- he went door to door for signatures -
- hoping to do work on Tiverton Harbour Project in future to road from same location - then close -
- only for these 2 projects - then closed -

I just faxed them <sup>need fee</sup>

- contractor Parker Mtn Aggregates -
- time - certainly I will do my best to work on application - however - as of now app is not complete - need fee - faxed just a couple of mth ago - will have to be reviewed by staff -

I am going on vacation next week - will not be in office.

- understand his time constraint re funding however will take some time to process app - ensure have everything needed - fee same for anyone -
