Subject: Draft Whites Point Quarry PD received from Paul Buxton

Hi Bill,

I intend to distribute to:

- EC (Barry J)
- DFO (M. Donovan)
- DFO (J. Ross)
- IC (John Janes)
- NRCan (Y Matteau)
- TC (who is the appropriate contact on the marine side? Mike Balaban?)

Please advise whether this is an appropriate list. NSDEL (Helen) already has a copy.

Generally, PD looks pretty good - they followed the OPS format very closely.

My intention is to ask people to comment on the adequacy for purposes of FCR, by end of next week.

Helen will check with their regional office to get the scoop on the implications of the land purchase by the local citizens group - an 800 metre radius circle cuts out quite a chunk (~80%) of the proposed site, no matter where you put it.
