Thank you for your report Advice on the application and implications of the *North American Free Trade Agreement (NAFTA)* to the proposed Whites Point Quarry and Marine Terminal Project, which was received yesterday. The Panel thanks you for providing your report in a timely and concise manner. Your report will be posted on the public registry for the project and your advice will be considered by the Panel.

The Panel has conducted an initial review of your report and has determined that it is not necessary for you to participate in the public hearings that are currently underway in Digby.
