Dear Carol Agocs:

Thank you for your letter of February 28, concerning the Whites Point Quarry and Marine Terminal Project.

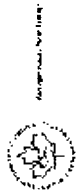

As you may know, Canada and Nova Scotia have established an independent review panel to conduct an environmental assessment of the proposed project. I have full confidence that the joint review panel (JRP) will conduct an assessment that addresses the effects of this project on the environment and the community.

As your comments may relate to the potential environmental effects of the proposed project, I have taken the liberty of forwarding your letter to Dr. Robert Fournier, Chair of the JRP.

Sincerely,

John Baird, P.C., M.P.
