

D1684 EA - HRTS #.

03-HMAR-MAR-000-000020

Public use will likely be made if DFO doesn't stop  
in Quarry because they would want us to be  
assessing it. However, it is easier to explain why  
quarry isn't stopped in if we don't have the  
legal mandate to stop it in - no trigger.
