

Fri May-16- Steve Chapman called.

- Steve spoke to Richard yesterday.

ii -

- Province is cranky because of
because they want to share the grief with
the us. They want.

- I don't sign in the quarry
contrary to advice of agency & ET practices
across Canada.

- Agency will likely send a letter to DFO
saying signing diversion.

REDACTED

Phil called - May 15.03.

3.9 ha quarry very close to shore may
overkill small fish through damage to swim
bladders. Had 4 science staff say this.
- don't appear marine mammals will be
affected.
