

Digby, Tuesday, Joey

- Briefing in Minister's office Monday
- reviewing blanking plan at region
- Jim away

- seal colony on shore all yr.

- significant inshore fisheries  
herring spawning

- whales

up to EA to determine whether blanking  
effect would be significant

- Reg success, Dyo Env Lab, CEA  
(Canada) had only Dec 3.

- if it triggers CEA Sec 28(C) 25k dead  
but tons would be CSR.

- possibly Sec 32: blanking

- multiple Fed trigger

- DFO will likely be lead R/P

- will need to look at need to bump to panel

- Province interested in joint EA.

- should see forward plans for marine  
terminal before.
