Thanks Chris.

To all others: I am OK with the proposed draft response from the province.
If it is OK with Paul and everybody else, we will put this in motion quickly.

Richard

Dear Mr. Boudreau:

RE: Global Quarry Products' Whites Point Quarry

I am writing in response to your letter dated June XX, 2003, respecting Global Quarry Products' proposed Whites Point Quarry and Marine Terminal.

This letter confirms that Nova Scotia has an environmental assessment requirement for the above project, and we are interested in harmonizing with the federal environmental assessment process. At your request, we are willing to participate in a joint environmental assessment review panel, once an agreement is reached.

Please contact me to arrange a meeting to discuss the details of this process. I can be reached at 424 4936.

Sincerely,

Christopher A. Daly
Manager, Environmental Assessment

Chris,
Please see attached revised draft letter. Paul asked that you forward any comments you have to me, as he is presently out of the office.

Thanks,
Bruce
