Attention: Mr. Jean Crepeau

Dear Mr. Crepeau,

re: Whites Point Quarry, Little River, Nova Scotia

I am writing to you as the Registered Agent and Project Manager of Bilcon of Nova Scotia, Incorporated to advise as follows:

1. The Proponent of the above noted project is now Bilcon of Nova Scotia, Incorporated. In this regard the previous partnership of Bilcon of Nova Scotia, Incorporated and Nova Stone Exporters Inc. is in the process of being dissolved and the lease for the entire Whites Point parcel of land is now held by Bilcon of Nova Scotia, Incorporated.
2. The Permit issued by the Nova Scotia Department of Environment and Labour to Nova Stone Exporters Inc. for a 3.9 Ha quarry at Whites Point is no longer valid since Nova Stone Exporters Inc. no longer holds the lease to the subject property.

Would you, therefore, kindly amend the draft Memorandum of Understanding to reflect the above noted status ie: that the sole Proponent is now Bilcon of Nova Scotia,

Yours Sincerely,
