called

- status of DFO report?

72 - I spoke to [redacted] & he believed they were receiving a response & he would call

Re Twitter

"we don't care" "we're going to comply with our terms & conditions" "it is a separate site"

"not relevant to us"

←  
"he's putting up a lot of money so he's psychologically more affected than me"

- we were surprised at it being so visible & they didn't have any problems

advised him that we would investigate subsequent complaints & act accordingly
