Call Received Call Made Meeting Other _____

- reviewed Twickenham quarry file

- has no concerns with fish or fish habitat

re either blasting impacts or runoff / suspended solids.

- is 1/2 mile away from nearest water, plenty of room for blasting or to deal with runoff

- will be able to get a written response on Monday but this is his assessment

- I talk him of reason for sending file to him + that there were concerns re blasting impacts on aquatic mammals at Nova store.
