Thanks Peter - I am flexible on the time and date, so let me know. Bruce is "the director" and I am "associate" which means I do the things that Bruce does not want to do.

Hey Steve:

I am no longer acting, although I may start assisting Helen as necessary leading up to the decision. FYI our new Manager of EA is

Lorrie Roberts. I expect there will be a substantial amount of work to do leading up to the report release and subsequent decisions (particularly as it relates to coordinating the "nature and timing of respective decisions"). I will discuss with Lorrie and Helen and get back to you about meeting on the 2nd.

Are you now acting in Bruce's position ?

Thanks

Peter

Peter,

Debra Myles mentioned that you are acting director - I am going to be in Halifax on Oct. 2-3 and was wondering if I could get some time with you on the 2nd to discuss next steps for Whites Point, similar to what was done for STP.
