Hi Jennifer,

Can you speak with Bruce and/or Stuart and see if it would be possible to have something prepared for tomorrow. Also, as per Carol's instructions below, any note should include and offer to brief the Minister.

Thanks,  
Heather

That's not good because we advised the Minister's office that it would be coming sooner than it seems to be. Will we have it tomorrow? Also, the note should include an offer to brief the Minister. Thanks.

Hi Carol,

Ginny and Dave are going to discuss this in their bilat today. However, Stuart is out of the office therefore it doesn't look like there will be a Memo done today.

Ladies,

Dave mentioned yesterday that a memo to the Minister would be forthcoming today on the panel report. Would it be possible to get a status report? Thanks.
