Quarry needs to blast to build access road
 Is this blasting subject to Pt Q guidelines
 + 800 m?

- in the past, road building is not
 subject to Pt Q requirements. Blasting
 for roads is different than quarry blasting
 and has not been subject to Pt Q rules
 in past. NOT considered part of quarry.

spoke to R. Belam. he said also that
 roads construction not usually subject to
 Pt Q guidelines. I told him to notify
