Dear Mr. Lowe:

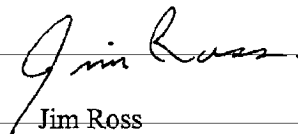

**RE: Application to construct deep water piers at White's Point, Digby Co.**

This letter is to confirm the conversation you had with this office on April 9, 2002. You stated that you will be submitting a revised proposal of the original application that you submitted on January 23, 2002.

The original file will be closed until we receive the new proposal and at that time the new proposal will be reviewed by Habitat Management.

If you have further questions, please contact this office.

Sincerely,

Jim Ross  
Section Head  
Habitat Management Division
