Thanks Helen. I hadn't received the previous e-mail you were referring to. We are currently at the first step. One thing though we need to clarify is the fact that we believe that both Robert Fournier and Lesley Griffith would expect to be Chair (given their past experience as Chair). We need to agree prior to contacting the candidates who would be best suited. In the current circumstances, Lesley Griffith and Gunter Muecke might be considered to have somewhat of a relation, given that Lesley's business partner is Gunter's wife. We might then want to consider Robert Fournier for the Chair. Please advise of your views on the matter. Thanks
 Francine

Hello Francine,

I sent this email sometime ago. Perhaps you didn't receive it. Please acknowledge receipt.

Sorry for the delay in responding to you.

This is what we understand the step-by-step process to be:

1. List of people to contact
 NSEL list is as follows: Robert Fournier, Lesley Griffith, Gunter Muecke, Anne Fouillard and Jill Grant. Gordon Beanlands may also be added to this list.
2. List of people to interview
 Based on availability from list above. (
3. Joint Interview Panel Conducts Interviews
4. Following Interviews Agree on Membership
 One from provincial list, one from federal list
5. Agree on Chair
6. Federal Minister Appoints Panel

We are currently at Step 1. I hope that this helps to clarify the process.

Have you heard any more from the company?

Regards,

Helen

Thank you for your quick response, Helen. I'll wait until you have a chance to discuss with Chris. In the meantime, please convey our congratulations to Chris; WOW, that's great, a boy and a girl at the same time!

Hi Francine,

Thank you for this. I thought I should let you know that Chris will be out of the office for at least a week. His wife had twins (a boy and girl) on Sunday, so he's busy looking after them right now. I really need to speak to him first before confirming our list because he had told me he wanted to speak with our director about it.

I shall respond to your email as soon as I have had a chance to speak with Chris.

This is probably the best I can do for now. If you need a quicker response please let me know and I will see what I can come up with.

In the meantime, have a nice weekend and enjoy those tulips!

Helen

Hi Chris,

At the Agency level, the interviews of candidates for the Whites Point panel will be conducted by Brian Torrie, someone from legal and myself. Unless you correct me otherwise, I think that, level wise, you could join us to conduct the interviews.

I have sent to you (and Helen) for confirmation, the names you have provided us up to now for panel membership along with our (Agency's) list which is pretty much the same.

* As it stands, your list reads as follows: Bob Fournier, Gunter Muecke, Anne Fouillard and Jill Grant. (Please confirm or correct this list.)

* The Agency's: Leslie Griffiths, Bob Fournier, Gunter Muecke, Anne Fouillard. Here are the CVs:

<<GriffithsCVMarch04.doc>> <<CVFULL.doc>> <<G.Muecke Resume_2004.doc>>
<<AnneFouillardCV.May2003.rtf>>

* To take into consideration: as discussed previously, Leslie and Gunter might be in an awkward situation because of business relationships; also, we believe both Leslie and Bob would only be interested as chair of the panel.

* Other potential names that have been forwarded to us:
Gordon Beanlands - CV (to obtain)
Peter Duinker - School for Resource & Environmental Studies - (494-3632), CV (to obtain)
Ray Cote - School for Resource & Environmental Studies - (going on a year's sabbatical), CV (to obtain)
Scott Wood - School for Resource, CV (to obtain)

* We would like written confirmation from the proponent regarding his ownership transaction(s) in order to get an idea of the timeframe for the hearings. As mentioned earlier, we need that in order to ask candidates for their availability.

We will be in touch shortly; in the meantime, I would appreciate confirmation of your list. Thanks! Have a nice day!

Francine
