**Dear Mr. Clayton:**

**I would like to take this opportunity to thank you for meeting with me in Digby. As you are well aware, this development has been an interesting challenge. Mr. Wall is doing a good job of representing your interests.**

**The next step will require presenting the business plan to the community. I hope that you and your company will continue to move the project forward as I feel it has the potential to benefit both you and our area.**

**Please do not hesitate to contact me in the future if I can be of any assistance.**

**Yours truly,**

**Hon. Gordon Balser, MLA**  
**Digby/Annapolis**
