

## QUESTIONS FOR INTERVIEWING REVIEW PANEL CANDIDATES

1. Are you familiar with the panel review process required under the *Canadian Environmental Assessment Act*?
2. Generally speaking, what do you believe a public hearing process should achieve?
3. Would you describe how you believe your expertise or experience could contribute to the panel's review of this project?
4. What is your current occupation? Are you member of any organization, association, etc.?
5. Have you ever taken a position publicly (orally and/or in writing) for or against this project (or a related project), or that might be perceived as such by others?
6. Do you have any preconceived opinions concerning the implementation or the carrying out of this project, or its potential environmental effects?
7. Are you, or have you ever been engaged in any activity that might be perceived by others as indicating that you do have such preconceived opinions?
8. Are you, or your direct family (wife/husband and/or children) engaged in any activity that is, or might be perceived as a conflict of interest if you were appointed?
9. Is there any other element, information or point you would like to raise or bring forward that could be associated with a real, potential or perceived conflict of interest?
10. Are you able to devote the time and energy required to complete this panel review in a timely manner?
11. Are there any limitations and/or conditions that would have to be met before you would allow your name to be put forward for consideration as a member of the panel?

## ADDITIONAL QUESTIONS FOR CHAIRPERSON CANDIDATE:

12. What skills do you believe the Chairperson of this panel should possess?
13. What would be the key elements and approaches to reaching consensus?
