**Subject:** Proposed Whites Point Meeting Postponed

The meeting which was proposed for tomorrow (May 1) at 10 am has been postponed until further notice (hopefully within next week or two).

The reason for the postponement is essentially that DFO is having internal discussions on the scoping with respect to the quarry before preparing a draft scope.

I apologize for any inconvenience this causes. Please call me, or Phil Zamora (426-4692), if you have any questions.
