Manager, Environmental Review

Re: Kelly Mountain Aggregate Quarry

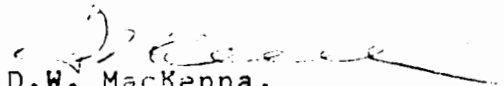

Dear Sir:

In response to your letter of February 9, 1993, we wish to advise that, due to unsatisfactory market conditions and a generally poor economic climate, we are not proceeding with the environmental assessment report at this time. We do expect to present the report prior to October, 1994.

Trusting this is the information requested.

Yours very truly,

KELLY ROCK LIMITED

D.W. MacKenna,
