Jim asked about quarry
 → Told Jim that an application was made however not accepted nor rejected as of yet. still reviewing

Asked about size. Told Jim that size depends on if assessment needs to be done, however I can not give you size. (Explained about FOI/POP cannot give out site specific details)

Jim said he will read over guidelines and may have more questions.
 Jim said that will be alert of application to this.

Told Jim in the course of this our company we do not quarry but are aware of our unit with the dept.
