Dear Ms. Dubé:

RE: Whites Point Quarry and Marine Terminal, Digby Neck, Nova Scotia – Project Description

As recently discussed with Mr. Jim Ross of your office, please find enclosed five (5) copies of a project description for the proposed Whites Point Quarry and Marine Terminal. It is understood that DFO is likely to require an environmental assessment of this project under Section 5 of the *Canadian Environmental Assessment Act*. It is further understood that DFO will coordinate the involvement of other federal authorities, in accordance with the *Regulations Respecting the Coordination by Federal Authorities of Environmental Assessment Procedures and Requirements* (Federal Coordination Regulations).

Please do not hesitate to contact me at (902-426-9458, or derek.mcdonald@ceaa-acee.gc.ca) if you require further information or assistance.

Yours truly,

Derek McDonald, P.Eng.
