Hi Chris:

Nova Stone's consultant, Paul Buxton P.Eng. has requested a meeting with us to discuss preparations for an EA registration. I think he just wants to make sure he is on the right track & addressing the aspects he needs to.

Would someone be available to meet sometime in the next couple weeks, preferably somewhere in between i.e. Kentville? Will Mark be handling this still? Perhaps whoever it will be can let me know what their good dates are.

Thanks
