Good Morning Claire:

Any word on who might attend tonight's meeting in Digby?

Thank you

Terrie Little

Someone from DFO will attend and as soon as I know who, I'll let you know.

Claire

Hello Claire:

Charles Gaudet suggested I e-mail you. On Thursday, May 16th there is a meeting at Sandy Cove Consolidated School at 7:15 PM regarding the proposed quarry in Little River. People in the community have sent Min. Thibault an invitation to attend and someone from DFO that can speak on this topic. Min. Thibault

would like to know if someone from DFO can go and speak on the environmental assessment process.

Could you please call me at 902-825-2320.

Thank you,

Terrie Little
